

# re-imagine, re-Examine, re-CREATE

DAY 3

KEITH JONES  
Soul TOUCHIN' Experiences

THANK YOU for having me!

If you are going to do HUMAN SERVICES, SERVICE HUMANS

STUDENTS JUST want to HAVE FUN, REGARDLESS of their CONDITIONS

NOW is the PERFECT TIME to re-imagine HOW to do INCLUSION & EDUCATION.

AT WHAT POINT DID IT BECOME ARBITRARY WHO GETS EDUCATED?

HOW do we REINVENT & RECREATE SCHOOLS in a PANDEMIC?

GOAL: Fix the PROBLEM

## OPPORTUNITIES

- Bring facilities up to code
- See PAST disability to STRENGTH

WE ARE ALL HERE to educate STUDENTS

HOW do we MODEL what we want to SEE in the WORLD?

DREAM: ALL STUDENTS ARE WORTHY

- Principals support teachers
- Teachers support students
- All there for END USER to best of their ability

## REINVENT

Each of my STUDENTS will have ... ?

You CAN'T tell a child they are OUT of LUCK due to PERSONAL BIAS

## PATTERN + PRACTICE

If you do this, ARE YOU AN EDUCATOR?!

INCLUSION is nice ONLY if OTHERS VALUE MY HUMANITY

## WHAT do we do?

GET kids INVOLVED

PROM: ONLY SHOCKING BECAUSE it hasn't been the NORM

NORMAL doesn't exist... ONLY

## UNIQUENESS

WE need to create BETTER HUMANS

IT IS CULTURAL THAT WE allow people THIS TO HAPPEN

1/2 of PEOPLE dying at hands of POLICE are of COLOR...

NOT 2019 any more

THIS is a CHANCE to REALLY do THIS RIGHT

We need to decide: I AM HERE FOR THE KIDS.

PUBLIC SCHOOL means EVERYBODY

IT'S NOT what you see in a student at FIRST, but what you help a STUDENT see in THEMSELVES.

WHAT are you TEACHING your students with your ACTIONS?

MY TAX \$ PAY FOR THIS ... THEN IT SHOULDN'T SUCK

EDUCATIONAL POLICY NEEDS to be PREDICATED on the END USER

SEE THE WHOLE CHILD.

THANK YOU FOR BEING AN educator BECAUSE YOU ARE THE KEY.

THAT person BELIEVED in me like I didn't believe in MYSELF.

Your FUTURE STUDENTS
